

Debris Field

A. Line of Sight Impeded

B. When a Squadron activates with a model within, roll a D6:

- 1 One model hit by 1D6 + 2 AD
- 2 One model loses 1D3 Crew
- 3,4 No Effect
- 5,6 Increase Battle Log by 5;  
this is now a standard Debris Field

### Waypoint Relay

During the End Phase of each Turn, if a Commander has one or more Squadron's entirely within this Template, and there are no enemy models within 6" of the Template Edge, their Battle Log is increased by 2.

Game ends if one Commander scores points from both Relays during the same turn
